## **Fall in Love at The Reef Resort**

For Immediate Release

Fall in Love for the first time or all over again at The Reef Resort. Plan on enjoying a seductive three-course candlelit dinner with your own dedicated waiter on the beach. Paddle the calm, shallow waters of the resort in glass bottom kayaks scouting passing rays and turtles, or make the trip to Stingray City for a unique in-water adventure. After a day of adventure, relax and enjoy a couples massage at Le Soleil Spa and retreat to your room for an evening of champagne and strawberries. The 2011 Fall In Love, Valentine's Day package at The Reef Resort starts at \$2,150 for two, and includes all of the above and a five-night stay in a Deluxe Beachfront Studio Suite with a large Jacuzzi tub and king-sized bed overlooking the Caribbean Sea. Offer available now through April 30.

### **About:**

*The Reef Resort is the only all suites beachfront resort on Grand Cayman and is found on the tranquil East End of the island. The East End is one of the island's best-kept secrets as it transports vacationers to the Grand Cayman of old, whilst offering guests the latest in technology (beachside Wi-Fi), the Island's finest diving and snorkeling sites, and a new non-motorized water sports program. Guests will also enjoy the resort's spacious beachfront, (1,600 sq. ft) it's the island's largest. The resort provides a full day of sunshine. It is built low to hug the coastline not the skyline.
