For Immediate Release

(Grand Cayman, Cayman Islands – September 2006) Green years or golden years vow renewal programs are a great way for couples to deepen their commitment, reaffirm their love and reconnect. For many couples, solitude, seclusion, and uninterrupted one-on-one time are the ingredients for reconnecting and maintaining a positive, healthy relationship. The Reef Resort Grand Cayman offers those components and more, with a casual atmosphere and a simple approach to vow renewal rituals. Its “off-the-beaten path, East End location provides peace and quiet, and it’s the only true all beachfront property on Grand Cayman. It offers private balconies and patios that overlook the ocean – the largest resort beachfront on the island, as its coast-hugging architectural design leaves guests with spaciousness and 1,600 feet of pure heaven. The resort is now offering a four-night vow renewal package this winter starting at US \$1,995.00 per couple, and summer rates from US\$1,675.00. The package includes a deluxe studio suite with a Jacuzzi tub, special bath treats, and access to an Island marriage officer. Other indulgences include an island favorite, Tortuga Rum with a mixer placed in-room upon arrival, a candlelight, three-course dinner to include either a bottle of wine or champagne, and tickets to the wildly popular dinner and musical performance by Barefoot Man, an island legend singing ballads, blues and a little bit of country. The resort also provides couples access to the onsite concierge, concierge@thereef.com, to accommodate guest requests pre-arrival ensuring a truly magical and memorable programme.

Couples wanting to disengage from everyday life and reacquaint themselves with one another can do so easily at The Reef Resort as the quiet East End provides endless opportunities for hand holding walks on smooth, white-sandy beaches and hours of daydreaming under a coconut palm with a tasty Piña Colada. Adventurous couples can scuba dive or snorkel as the East End is known for its superior diving and snorkeling. Couples may also enjoy an awe-inspiring bio-luminescent or sunset kayaking tour, a Jolly Roger cocktail cruise, horseback riding, a bubble-sub tour, or may choose to just sit back, relax, and breathe in the cool island breezes from their private beachfront balcony or patio while engaging in a couples board game. Board games are an easy and fun way for couples to express themselves and explore new ideas that may lead to a greater appreciation of one another. In support of this idea, The Reef Resort now offers a library of couples games that can be checked out at the front desk.

A Caymanian marriage officer can perform the vow renewal ritual on the beach, on the private dock, in the upstairs air-conditioned restaurant or wherever the couple deems appropriate. This effortless ceremony includes recorded romantic music, a lovely cake-cutting ceremony, a champagne toast, an island-style bouquet and boutonniere, and a commemorative vow renewal certificate, all of which are easily arranged by the wedding staff pre-trip.
